

To Dad - Birthday Greetings

Birthday Greetings to Dad

Store card greetings merely say,
"Many happy returns of the day!"

But "home-grown" greetings truly express
Words of love for your happiness.

So dear Dad come wishes true
For untold days of health for you.

May life give unto you its kind,
Content in spirit, peace of mind.

A homely greeting expressing "not well",
A love for our Dad more words can't tell!
